Physical Specification

|            |                           |
|------------|---------------------------|
| Item Group | 24 Lamps                  |
| Family     | Dim To Warm GU10 Dimmable |
| Order Code | 7306GDV/EWW               |
| Shape      | Circular                  |
| Height     | 54mm                      |
| Diameter   | 50mm                      |

Electrical Characteristics

|            |               |
|------------|---------------|
| Gear       | No            |
| Lamp       |               |
| Input Type | Mains Voltage |

|               |          |
|---------------|----------|
| Input Voltage | 220-240V |
| 50 Hz         | Yes      |
| 60 Hz         | Yes      |
| Power(Watts)  | 5,5W     |
| Lamp Type     | LED      |
| Lamp Holder   | GU10     |
| LED Type      | SMD 2835 |
| LED Brand     | Elite    |
| LED Number    | 7        |
| Dimmable      | Yes      |
| Dimmer type   | Triac    |

Illumination Data

|                      |                                                                                       |
|----------------------|---------------------------------------------------------------------------------------|
| Colour Temperature   | 2800K-2200K                                                                           |
| Lumen Output         | 350lm                                                                                 |
| Light Efficiency     | 63,63lm/W                                                                             |
| CRI                  | 90                                                                                    |
| Beam Angle           | 36°                                                                                   |
